

Optimum M4100

Security Access Module (SAM) Card Installation

1 Turn the terminal off. Remove any packaging from your SAM plug-in.

2 Remove the SAM cover from the Optimum M4100 using needle nose pliers or tweezers.

3 Insert the SAM plug-in (gold side down) into one of two SAM slots on the front of the terminal (as shown). Firmly push until it stops. Re-insert the SAM cover and turn the terminal on.

Note To remove a SAM plug-in from the SAM slot, use needle nose pliers or tweezers to gently pull the SAM plug-in out.
